

Guidelines:

Please follow the given guidelines for recording the video: -

1. Do a screen recording (with your audio explanation) of the work.
2. Always start recording with a short introduction of yourself (specify name and batch).
3. The recording should include the explanation of each step-in detail.
4. Save this recording to your google drive.
5. Submit this google drive link in Paatshala along with all other documents specified in the question.
6. For screen recording, you can use apps such as Free Cam, ACTIVE Presenter, Screencast-O-Matic etc.
7. The duration of the video must be a maximum of 7-8 minutes.
8. While sharing the google drive link, please make sure that proper access is given to view the link.
